M.GIDON 2001

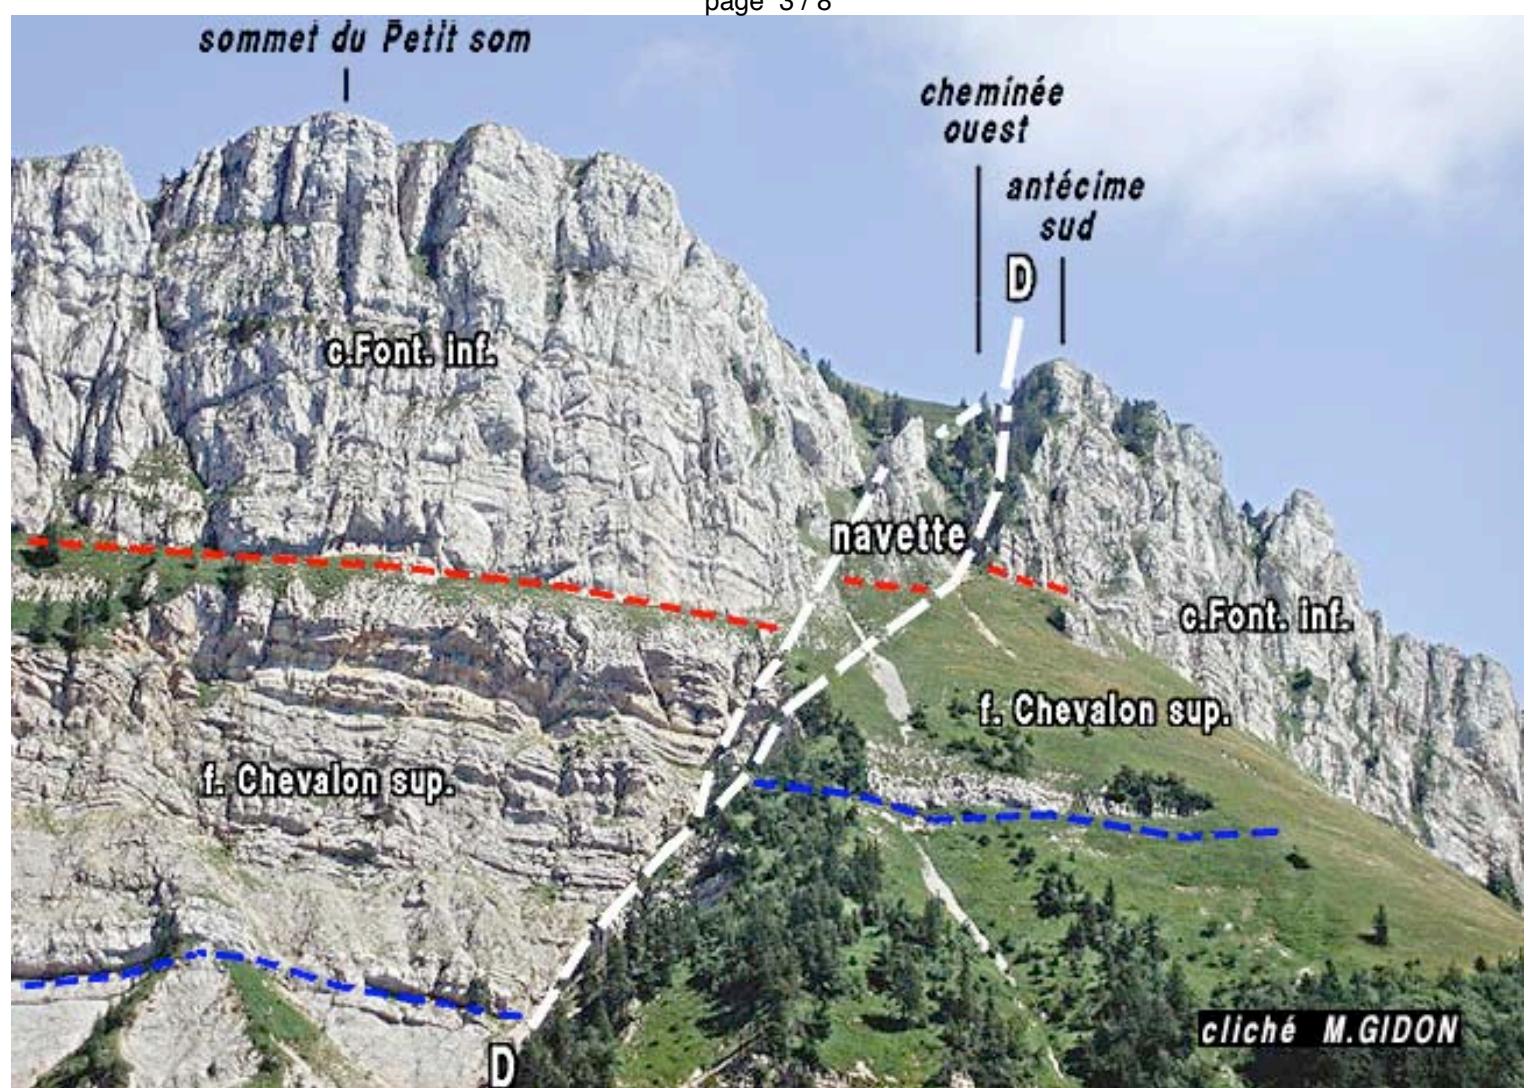

Bloc stéréogramme vu du nord - ouest

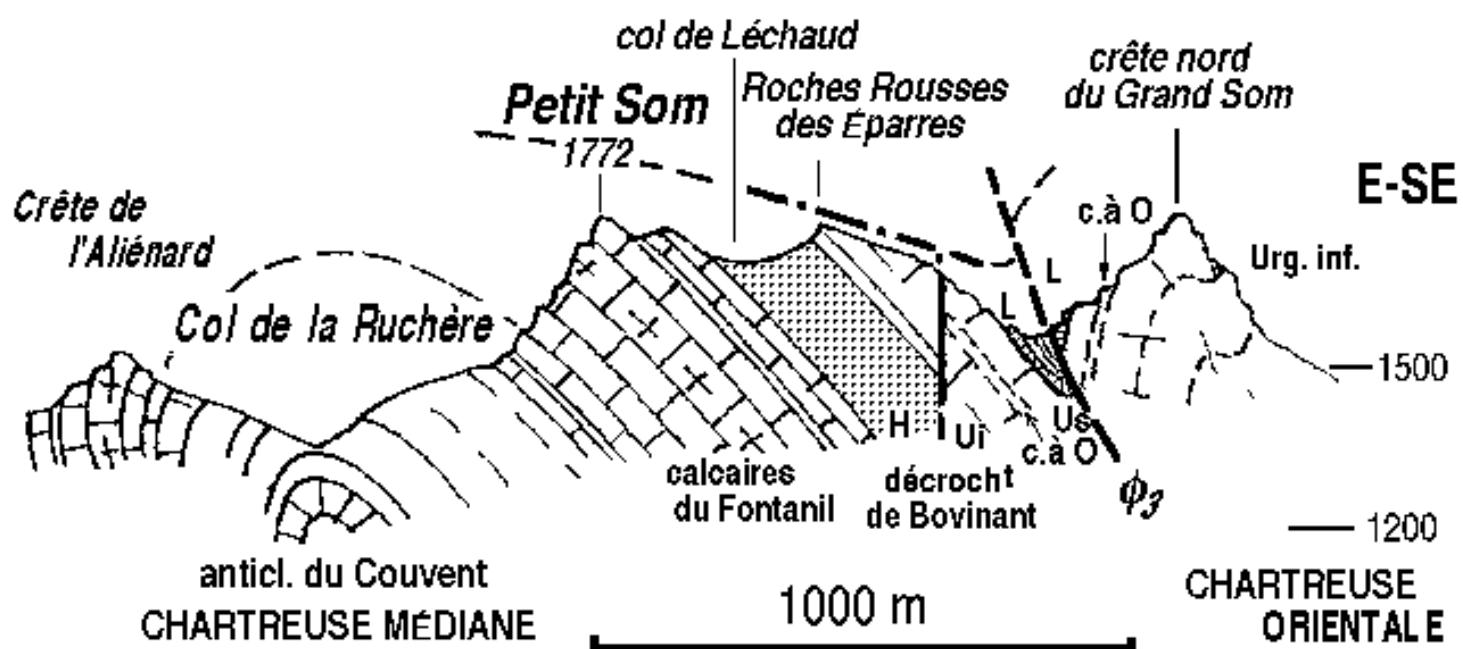

La vallée du Guiers Vif vue des pentes dominant La Ruchère (abords du foyer de ski de fond)

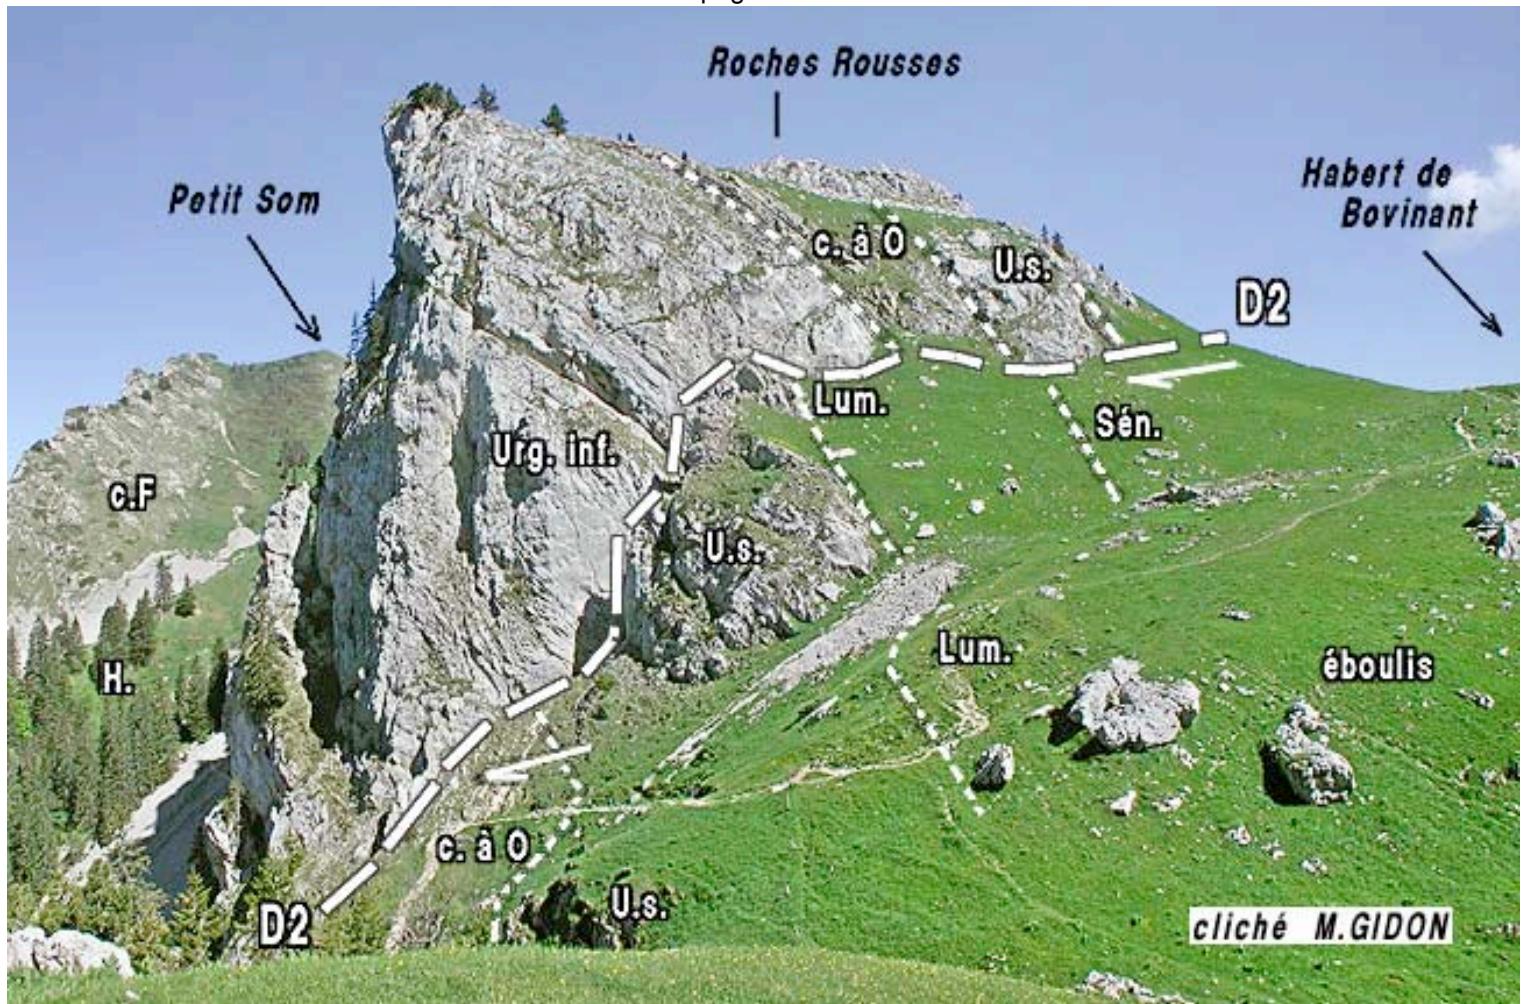

Tectonogramme très schématique des rapports décrochement - chevauchement.

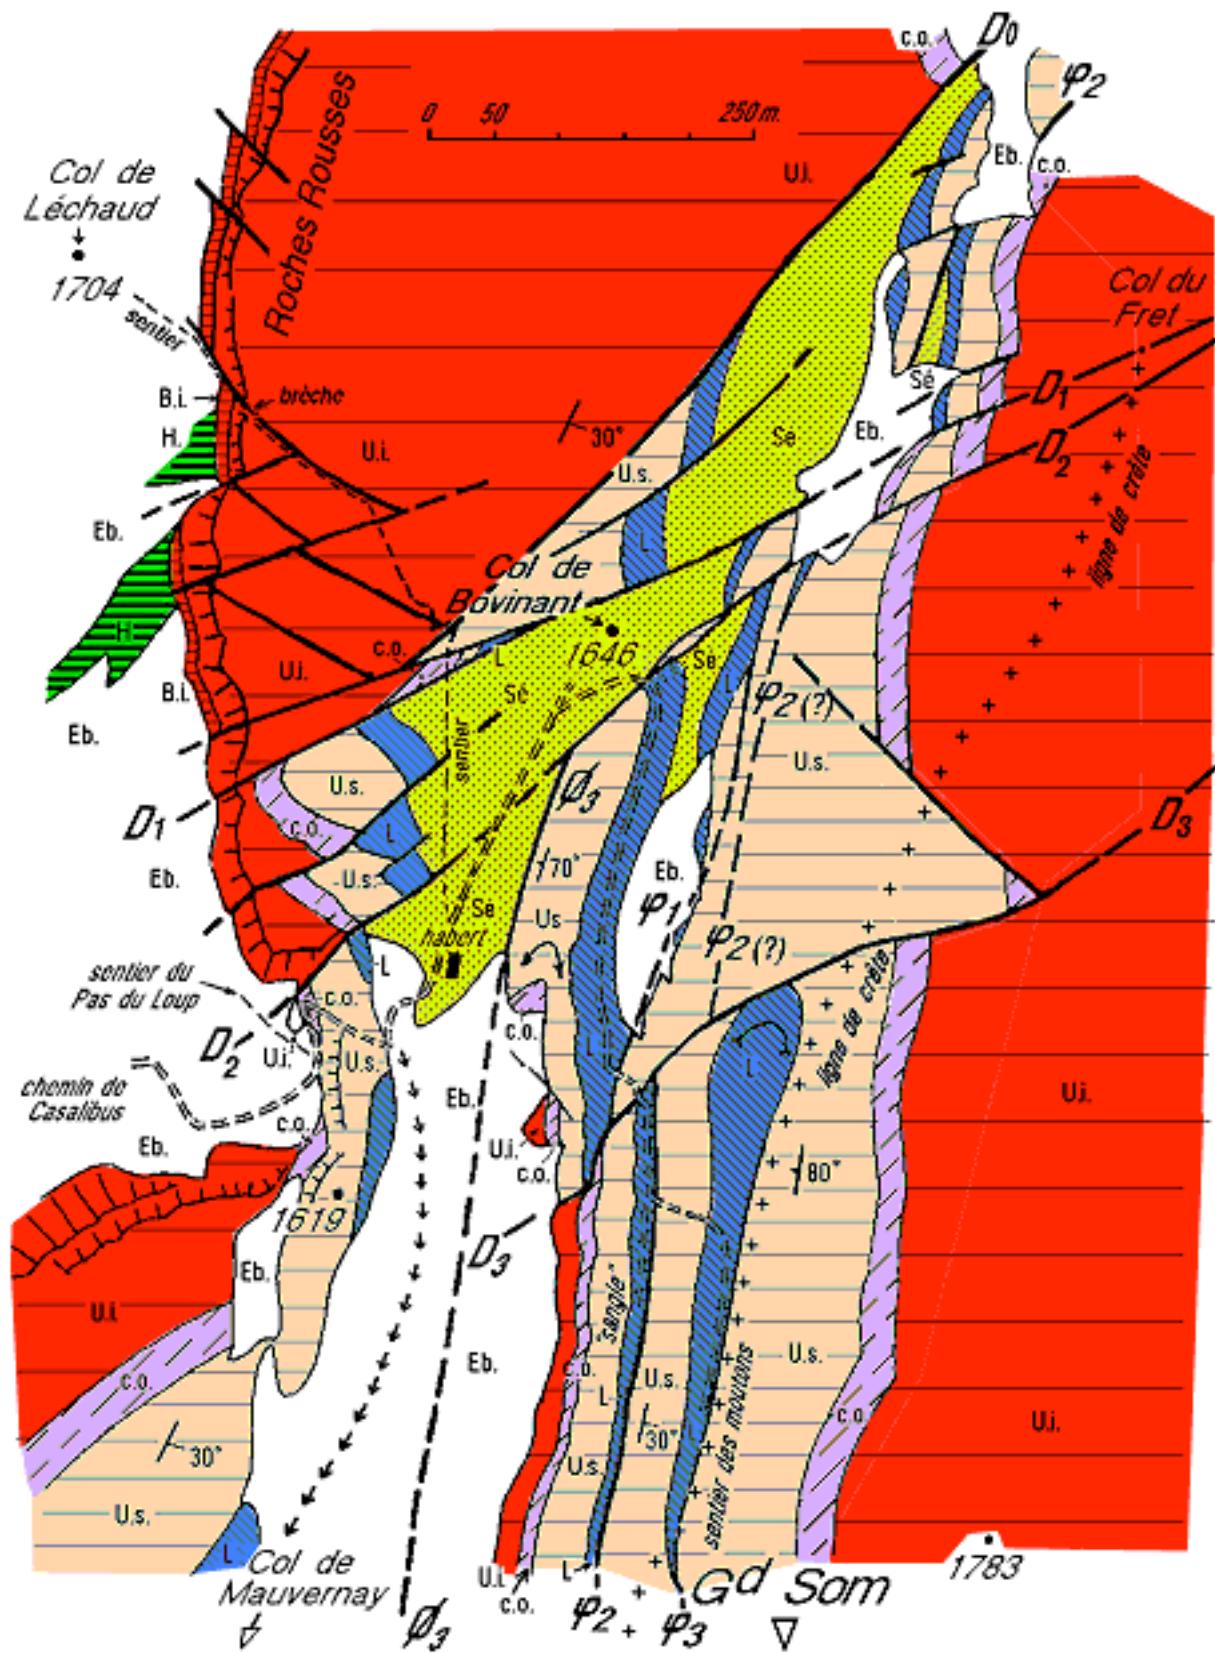

Le Petit som vu de l'ouest, depuis le Pré Gervet (versant nord du col de La Ruchère)

Coupé entre les crêtes de l'Aliénard et de la Dent de l'Ours

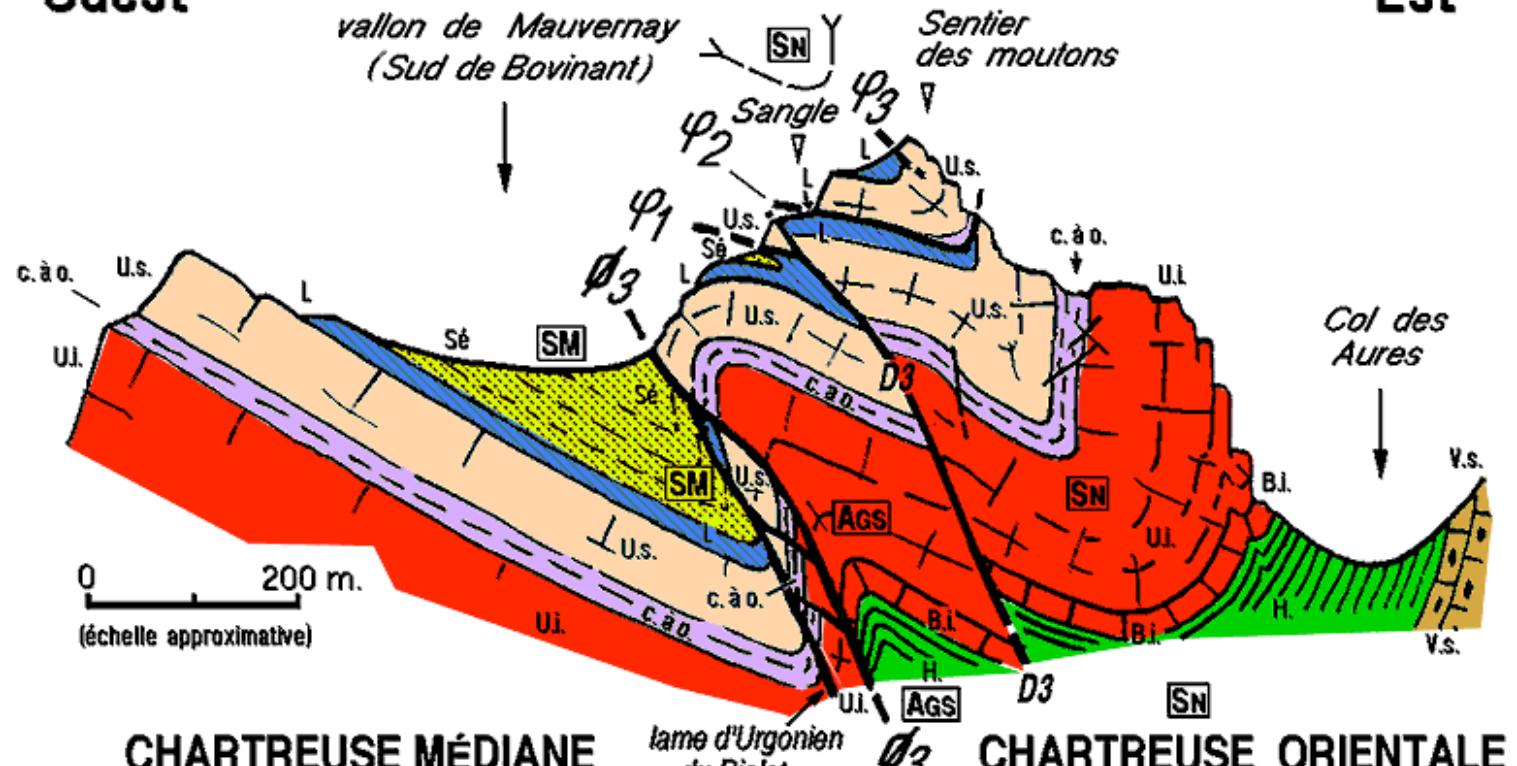

Pentes de **Bovinant**, vues du sud : **D2** = décrochement de Bovinant.
